

For mobile and puppet print one page. Cut out image on gray line.

For mobile: Fold and glue front to back, punch hole and add string if needed.

For puppet: Fold and glue front to back at the edges on the top half. Insert a dowell from the bottom. Use tape or glue to secure the bottom.

For table prop: Print 2 pages. Cut images on gray line. Match up front to back and glue. Fold in half.

For table tent: Cut out rectangles and fold on inside lines. Tape the bottom to the top. Open the table prop and slide on to the table tent.

Print on card stock.
