Print pages 2 & 3 on card stock and trim around each. Then fold on the two fold lines. (Print on the front and back of one piece of card stock or on two separate pieces. If printed on two pieces, cut the 3 inside pieces on the gray lines and attach to the inside of the folded card.)

Print a smaller card (page 4) on one sheet of card stock. Then cut in two and trim. Cut and paste the inside pieces to the inside of the folded card.
