

Front Side

For mobile and puppet print one front side page and one back side page. Cut out images on gray line.
For mobile: Fold and glue front to back, punch hole and add string if needed.
For puppet: Fold and glue front to back at the edges on the top half. Insert a dowell from the bottom. Use tape or glue to secure the bottom.

For table prop: Print 2 pages of the front side and two pages of the back side. Cut images on gray line. Match up front to back and glue. Connect the tops with tape or glue. Fold in half.
For table tent: Cut out rectangles and fold on inside lines. Tape or glue the two long pieces at the top. Tape the bottom piece to the top.

Print on card stock.
